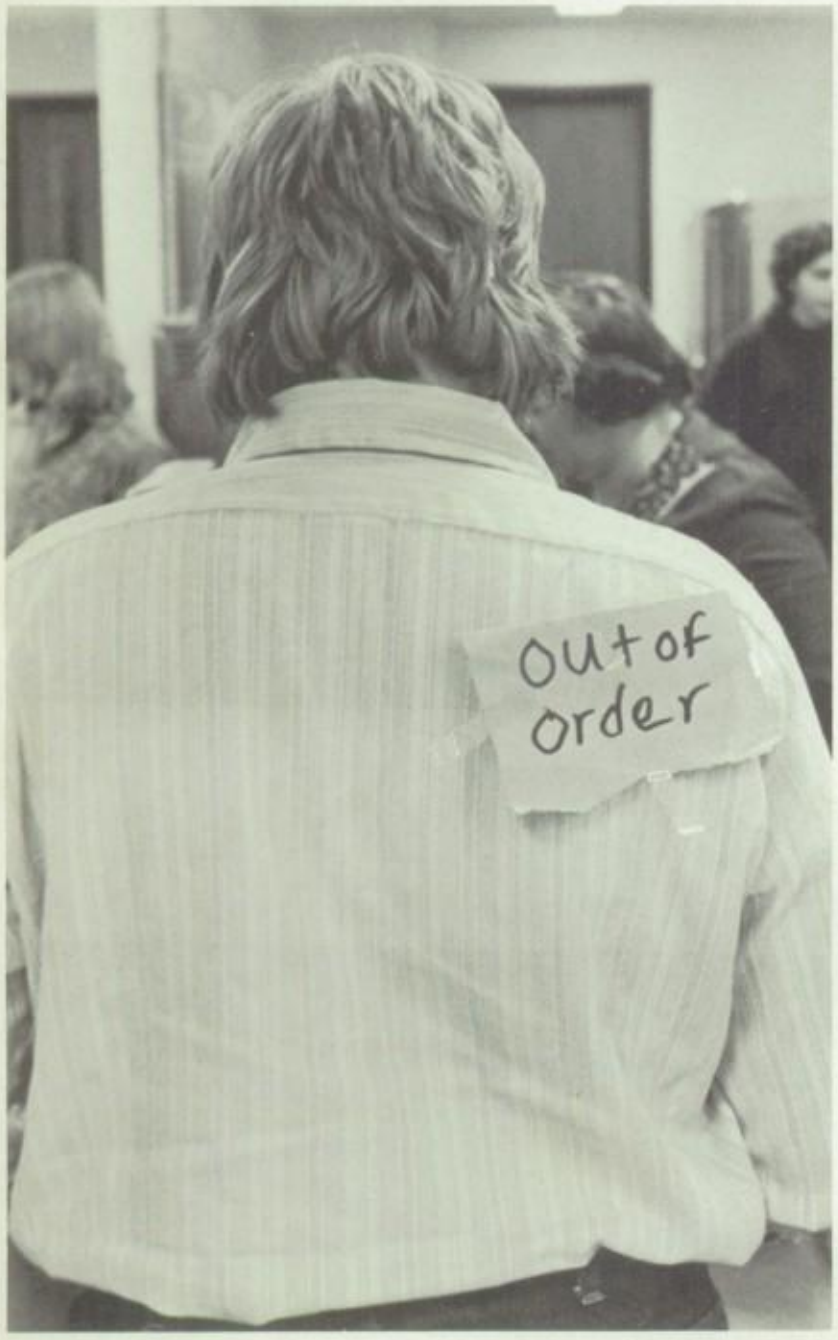
MILTON CENTRAL HIGH SCHOOL

"A Day in a Life"

Our years at Hilton have been unique to each one of us. Many people have entered our lives, and many friends we've made. Each one of these people had something special to offer us and the school. Though our school is large, it is made up of many individuals. Some of us chose to follow the crowd, others went a less travelled road, and many were somewhere in between. Starting as freshmen, we grew through each stage till we were one. Now it is time to separate and start out alone. Remember these years to be unequaled in our lives and unique in their memories.

"I get by with



a little help . . .

Some Thoughts On Homecoming . . .

"Even though our school spirit took a beating when we lost the football game, things seemed to pick up at the dance."

"The floats were super - all of them!"

"My parents came and they said they really enjoyed it."

"Homecoming should be a special day for everyone in Hilton to come out and praise the youth of our community."

"Get some spirit into it; play it up; and get more of the non-athletic students involved!"

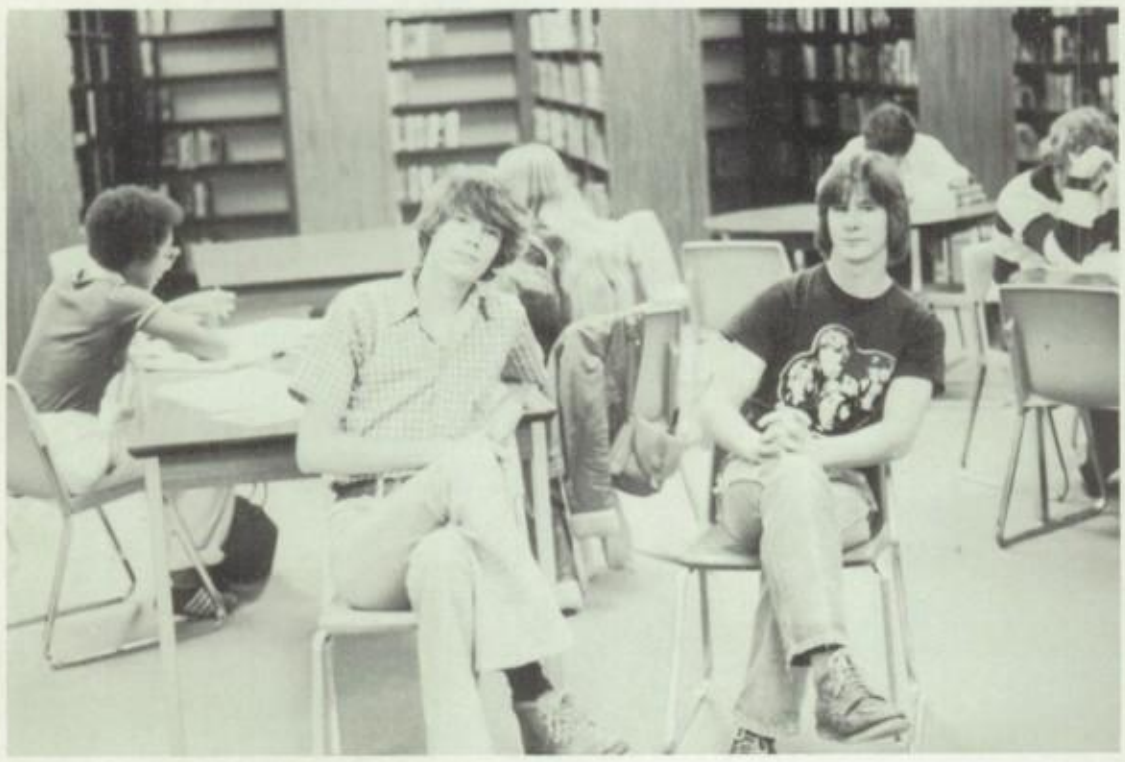
"I think we should have a Winter Homecoming with ice skating parties and snowball wars."

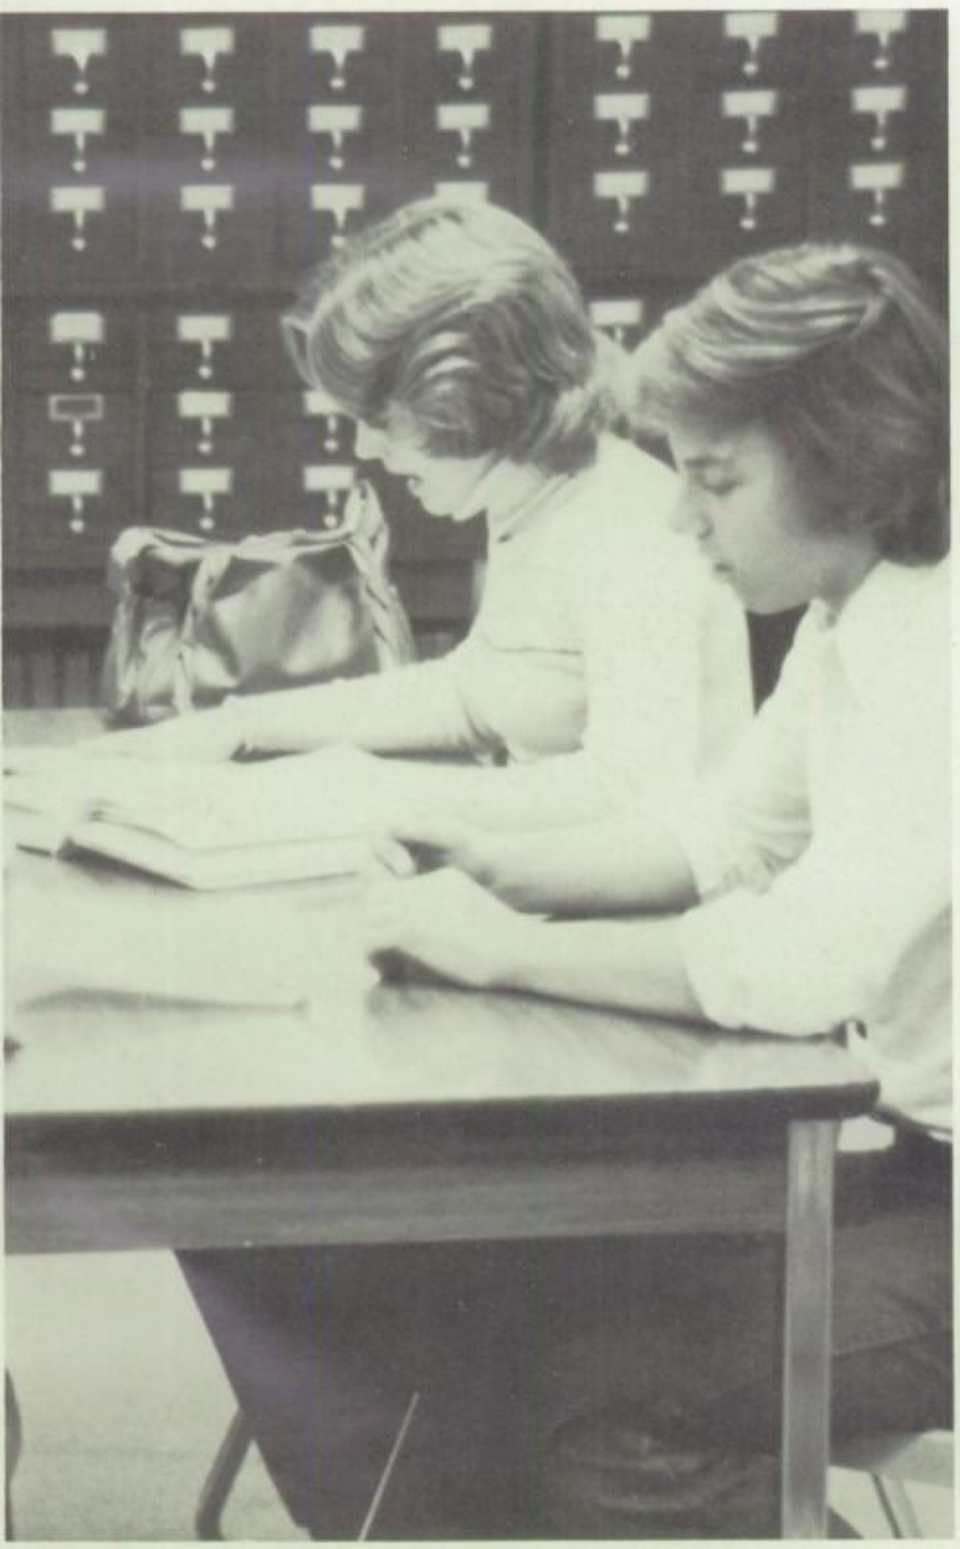
"What's Homecoming?"

"We should have Homecoming Kings . . ."

"We'll get 'em next year!"

"How do you feel by the end of the day?"





"I get high with a little help from my friends"

Dreams are a world
Apart from your own,
A special place
Where you can be alone.

Freshmen

Members of the class of 1980 began their high school years with a lot of enthusiasm in the school. The freshman class participated in Homecoming by making a float with the theme "I Feel Pretty" from WEST-SIDE STORY. They conducted a very successful candy sale, which brought in over $200. The class also sponsored a dance in the Spring.

George M.

On May 20, 21, and 22 of 1976, the spring musical presented at Hilton High School was a biography portraying the life of George M. Cohan. In the musical, the featured songs were written by G. M. Cohan. The leading role, played by Steve Goodhue, helped to make the play a success.

On the final night of the play, as was done in the past, the Hessler Award was presented to Steve Goodhue for a spectacular performance. Also, The Bill Everts Memorial Award was given to Bonnie Simon for her outstanding acting ability throughout her final year.

The Hilton High Drama Club presented the Children's Theater on Saturday, October 9. The two fairy tales that were performed were SLEEPING BEAUTY and THE PRINCESS AND THE COOKIE. The spectators were attentive and the excitement was shown in their faces. The characters enjoyed the production the most when they were mobbed by the children.

"BLITHE SPIRIT"

What happens when Charles Condomine, a middle aged novelist, and his snobbish second wife, Ruth, get together with a skeptical doctor and his nutty wife in order to have a seance? Add a batty medium named Madame Arcati who goofs by conjuring up the first childish wife Elvira, and you're left with a marriage on the rocks and a mix-up with Ruth, dead, and Charles plagued by both wives. In a desperate attempt to get rid of them, Charles holds a seance, and Edith, the flighty maid, is the culprit. The now invisible wives proceed to destroy the house as Charles leaves.

"I suppose it's dreadfully ignorant of me, but who was Princess Pallitaini?"

"You'll all listen attentively now, won't you?" Madame Arcati (Margie Rosso) questions the group.

"Are you sure you wouldn't want a drink before you go?"

"I don't believe you love me anymore." Elvira (Rosanne Rayome) speaks with Charles. (Larry Hoysic)

"I had some of the most unforgettable experiences in Norway this summer. My family and friends were all wonderful people. Everyone was so relaxed and easy-going. I got to see the midnight sun, go skiing on a glacier in my bathing suit and see some of the prettiest scenery in Europe. We had warm sunny weather all summer which allowed me to go out and do a lot of things. I lived in the mountains near a small town which made making friends easier and I felt right at home. I did more growing up in my two months in Norway than I ever have before. You have to learn to think for yourself especially when you're put in a brand new situation and are forced to adjust. Norway and my Norwegian family did so much for me that it was very hard to leave at the end of August. I hope to go back next summer and see everyone again.

"The most exciting thing that has ever happened to me was being an exchange student this past summer. The nine weeks I was in Geneva, Switzerland, will stay with me for a long time.

I stayed with a very warm family consisting of Mr. and Mrs. Küpfer, Elaine, age 18, Christine, age 17, Ann-Marie, age 11, and their dog Seike. They have a beautiful apartment in Geneva, and a very nice chalet in the Alps, where my Swiss sister's grandmother lives.

Switzerland has to be the most beautiful country in Europe. During my stay, I traveled all over Switzerland to many of the festivals and concerts given during the summer months. My sister and I also backpacked all over the south of France and Corsica. I'd really like to thank my parents for helping me experience a great summer! SKOAL"

Exchange Students

"My name is Jens Ringenson, and I am 16 years old. I am an exchange student from Stockholm, Sweden. My host parents are Mr. and Mrs. Forsythe; my host brother is a junior here at school, Hugh Forsythe. I went out for football in the fall and hopefully will continue with track in the spring.

I came here in August '76 and I am leaving July '77. After my year here at Hilton High School, I am going home to study four years of economics. Then I might come back to the U.S.A. for college.

Have I enjoyed my stay? Of course! Have you ever heard about the boy happier than the happiest? WELL, THAT'S ME!!!"

Sincerely Yours,

Jens Ringenson

"As an Exchange student, I was asked to write a paragraph for this yearbook. I am glad to do so. It might be a good way to express my thanks to the people in Hilton, who have been very nice to me. In the first place this concerns the Semler family, who were so generous to take me in for the entire year. People in Europe may tell many strange things about Americans. One of the first things that struck me when I arrived was the hospitality of the people. The second that struck me was, of course, the unbelievable size of this 200 year old New World. If anybody thinks that the U.S.A. is densely populated, tell him or her that in Holland there live 950 people a square mile. With that density the U.S.A. would have more than three billion inhabitants!

In general, I would like to give anybody who reads this the advice to see something of the world for a longer period before settling down with his house, pipe, and newspaper. If any of you happen to visit the Netherlands, make sure to notify me and I'll show you the tulips, wooden shoes and windmills."

Hope to see you
in Europe,

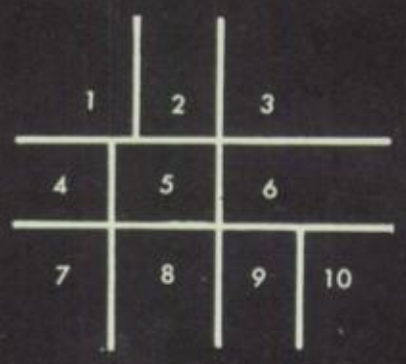
Hilton Cadets "Dust Doors"

The marching band had a very successful season this year. After marching in 15 parade competitions and only losing two, they placed 1st, for the seventh year in a row, in the Erie County Fair parade and field show competition.

The music book this year was chosen to go along with the bicentennial theme. The songs that were used in the field show were "Jezebel," "Lassus Trombones," which featured the trombone section, and "Don't Rain On My Parade" as the concert number. "America the Beautiful" was used for the color presentation, "Gospel John" featured Bill Baldwin in a trumpet solo, and "New World Symphony" was the finale. "Americans We" was also to be heard as a street number.

The band had many new members this year who are looking forward to a strong band next year.



1. "B" twirlers at Hamburg parade. 2. Bill Baldwin's trumpet solo. 3. The marching band led by Cindy Leblanc. 4. Mr. Smalley, director. 5. "A" twirlers lead marching band. 6. Hilton Marching Band Visits Philadelphia

This summer the Hilton Marching Band visited Philadelphia to participate in America's bicentennial celebration. The band was chosen as one of the three bands to represent New York State in the 4th of July parade.

The parade was huge, with over 300 marching units from all 50 states, Puerto Rico, the Bahamas, and Japan. The parade lasted over 8 hours and was watched by millions in Philadelphia and throughout the nation.

Along with marching in the parade, the band gave 3 concerts in Fairmount Park, which was the site of the largest cake ever made. "Sara Lee" made a 50-foot high, 42-foot wide cake for America's birthday. After completing the 3 concerts, the band was permitted to see the cake, a breathtaking site.

The band was housed at the small but beautiful campus of St. Joseph's College, a 15-minute drive from Independence Hall.

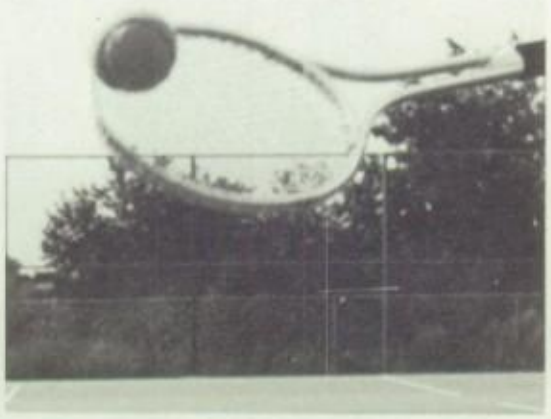
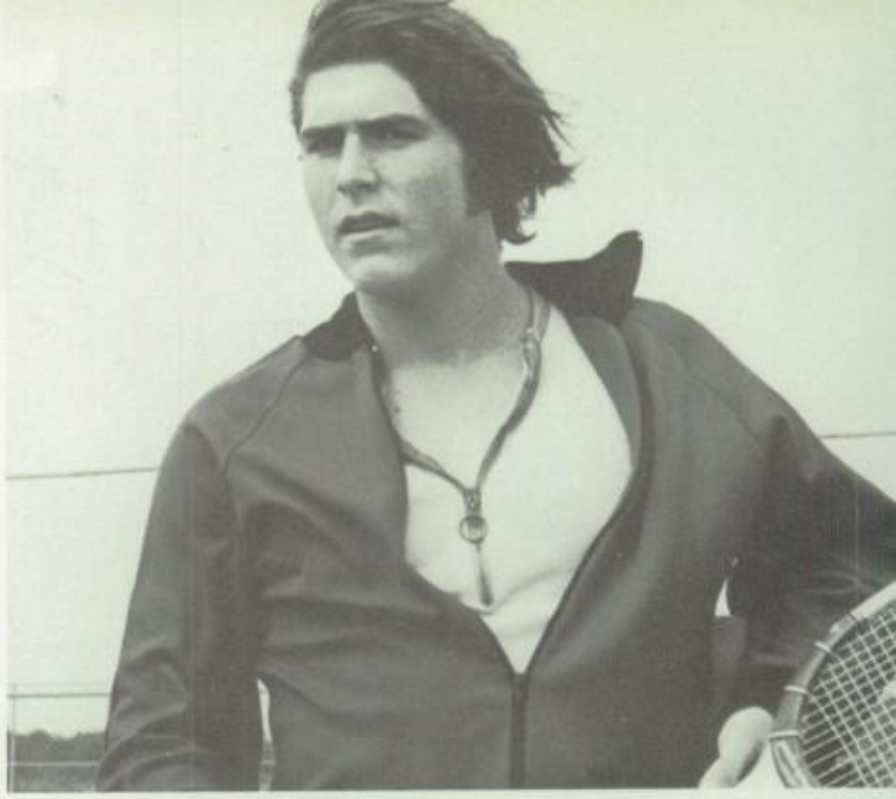
Matt DiBiase displays the form that made him an All-County team member.

Bjorn Borg he's not.



The varsity tennis team's two year reign on top of the County West League came to an end this year. However, the Cadet courtmen still had an impressive 8-3 league record and were 9-5 over all while finishing fourth in the strong 12-team County West League. Coach Al Krotz's team was led by first singles player Matt DiBiase, who played well enough to be named to the All-County Team. Also contributing to the cause with strong seasons were Matt Seils, Alan Montanarello, and Gene Thurston, along with doubles players Mike Schluter, Jim Palumbo, Jon Emond, Tim Brown, Bruce Brotz, and Steve Sill.



Hugh Forsythe contributed well to the Cadets season with a 9-2 record.

JV Tennis

Coach Tom Dowd's J.V. tennis team showed signs of continuing the Hilton tennis tradition with a perfect 11-0 season. Leading the team were Tom Herrick (11-0), Hugh Forsythe (9-2), and the 1st doubles team of Ron Gary and Randy Kaforey (11-0). Highlights of the season were a 6-1 win over undefeated Webster Thomas and a 3-2 win over a strong Batavia team.

The Hilton girls's softball team repeated its glorious season of last year with an 11-4 record. As was done in the past two years, the girls qualified for sectionals, keeping up the tradition. Two Hilton Cadets were All-County members: Julie ''Sparks'' Gilmore and Karen Oldfield. A fine year was displayed by all Cadets.

Rarely is the intensity of competition so pronounced as in a track meet. Athletes striving to overcome fatigue, pain, and opposition often push themselves to new personal and school plateaus of achievement.

This year, ten Cadets set new records to bring their team to a 9-2 record overall. There were four All-County members: J. Luther, S. Kaiser, S. Daggs, B. Faber. There were two sectional members also, S. Kaiser and S. Daggs.

After losing several battles with the weather, Coach Dan Murphy's baseball team's hard work paid off with the best season in several years. Coach Mike Mayer's JV team also had weather troubles. However, when the skies cleared, they battled to a hard-fought 7-11 record.

Co-Captain Larry Berkel led the team with a .396 batting average and 22 stolen bases.

The freshman squad, coached by Mr. Ory Mee, came up with an impressive 6-8 record despite injuries and key freshmen playing on the JV team.

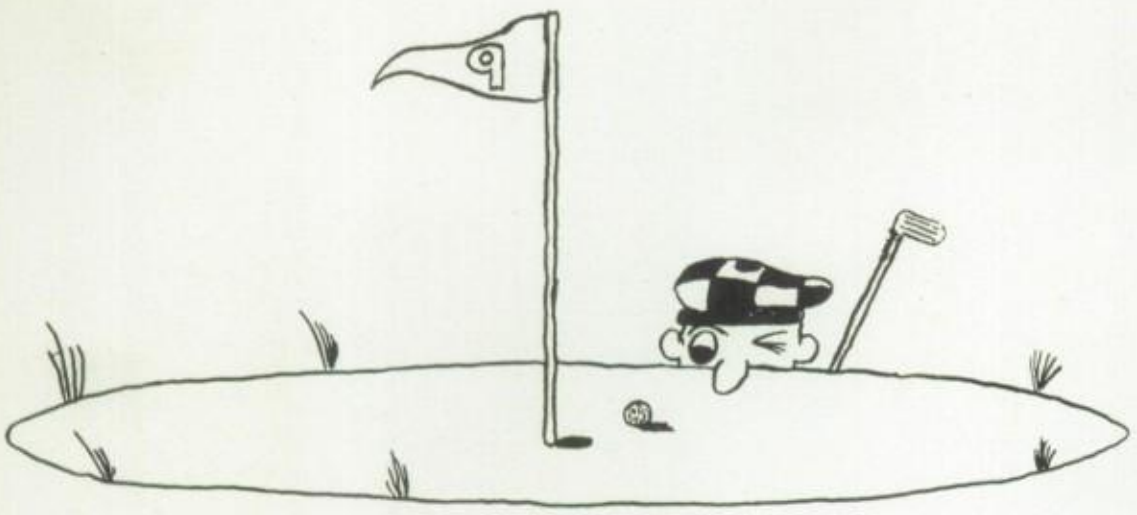
Varsity Golf



The varsity golf team struggled through its first year of existence with a disappointing 0-8 record. Coaches Dean Christ's and Ed Mascadri's squad was led by top seed Kirk Wiborg's 5-1-2 record. Other members of the team were Bill Benedict, Joe Ferry, Bob Lafferty, Dave Marciano, Chris Lauth, Frank Krieger and Todd Ingraham. Everyone but Krieger and Ingraham promised to return, and Coach Christ predicts success in the future.

The highlight of the season was a 6-0 triumph over Olympia in the second to last game of the season, in which Steve Thoresen blocked a punt and recovered it in the end zone for a touchdown.

The J.V. football team showed an ability to come back that any team would be proud of. They won their last four games after a slow start to finish with a 5-4 record.

The team was coached by Bob Phillips and Ken Brickell. Jim Gaden and Mark Caternolo led the team with their outstanding spirit. These sophomores should complement weak spots on next year's varsity team.

Despite many injuries, the freshman football team performed well and came through with a winning season of 4 wins and 3 losses. Coached by Mr. "Bud" Fuller and Mr. Kim Fay, the Cadets won 2 out of their first 3 games. Leading the team through wet and muddy practices were two outstanding captains, Gerry Bensley and John Bishop. Keeping up their enthusiastic and spirited ways, the Hilton Cadets should prove to be a strong team in future years.

Coached by Mr. Jim DuPont, the Girls' Varsity Soccer Team once again displayed its strength and spirit by achieving a 7-4-1 record overall for the '76 season. The team was led by captains Cheryl Chiappone, Deb Miller and Barb Gardner. They ended up their season with a second place in Division II of the County West League.

As was done in previous years, the girls qualified for sectionals. Plagued with illness, they lost a hard-fought battle to Pittsford Mendon, 6-2. The three outstanding All-County members that made the team a success were Deb Miller, Karen Oldfield and Nancy Drum.

Girls' athletics at Hilton has grown with the addition of a girls' J.V. soccer team. Under the inspiration of Coach Jim Buck, the J.V. girls "hustled" their way to a 5-3-2 record. The J.V. Cadets always showed their endurance, especially when beating Gates-Chili for the second time 4-2 in double over-time. There were many outstanding athletes that contributed to the girls' success. The team was led by tri-capt's. Karen Avery, Sherry Buck, and Fe Robinson. These girls should be strong members on future varsity teams.

Coach Mike VanAuker's first year of coaching varsity cross country saw the Cadet runners finish 12th in the 21 team County West League with a 9 and 11 record. After losing the entire 1975 championship squad to graduation, the Cadets had a rebuilding year. Brian Faber led the team and made 1st team All-County with his performance. Also having a strong season were Mark Riffle, John Ohler and Tom Sercu. Coach Van Auker's squad seems to be ready to build Hilton Cross-Country back up to the dynasty of the last six years.

The freshman team, also coached by Mr. Van Auker, was led by Brian Burr, Ron Brownt and Mike Bucharelli, and finished 17 and 3.

In a year of ups and downs, the field hockey team continued on the road to success, finishing 2-10-1 in its third year of competition. Coach Signore's team jumped off to a fast start, winning two games early in the season against Mendon (4-1) and Fairport (3-2). However, the rest of the season wasn't as pleasant for the young squad. They finished the season losing all but one more game, a 2-2 tie with Penfield. Captain Alisa Smith, Co-Captain Luba Drouin, and Darlene Haag were nominated for All-County Honors, with Darlene named to the first team.

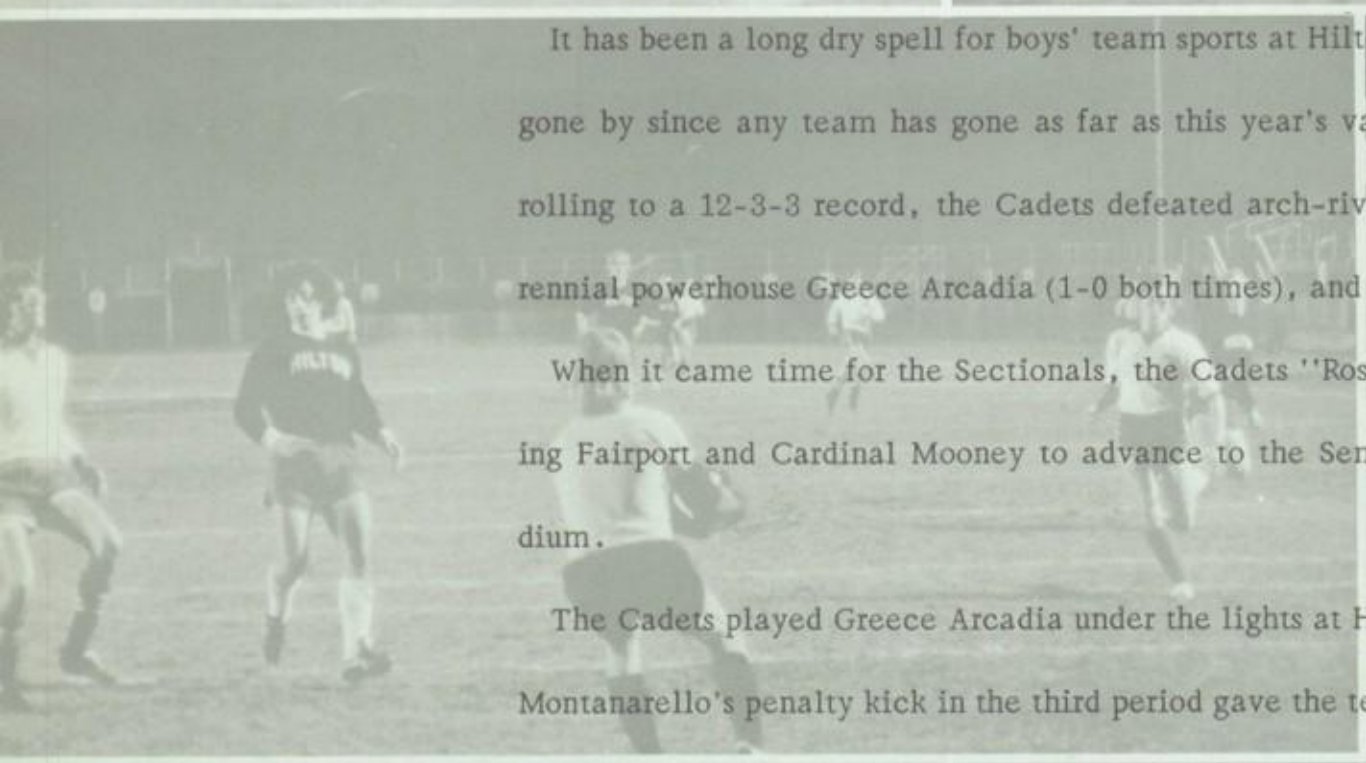
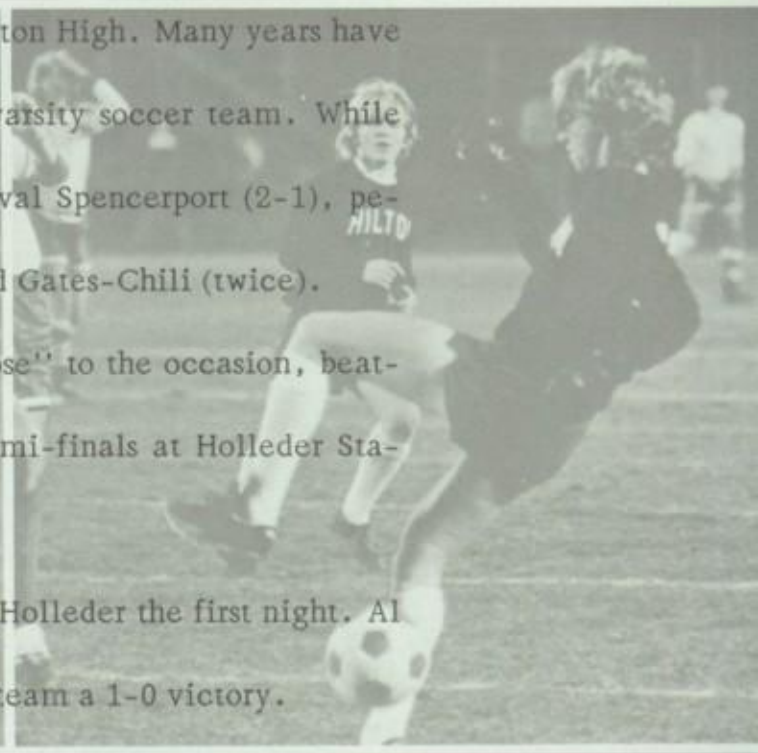
It has been a long dry spell for boys' team sports at Hilton High. Many years have gone by since any team has gone as far as this year's varsity soccer team. While rolling to a 12-3-3 record, the Cadets defeated arch-rival Spencerport (2-1), perennial powerhouse Greece Arcadia (1-0 both times), and Gates-Chili (twice).

When it came time for the Sectionals, the Cadets "Rose" to the occasion, beating Fairport and Cardinal Mooney to advance to the Semi-finals at Holleder Stadium.

The Cadets played Greece Arcadia under the lights at Holleder the first night. Al Montanarello's penalty kick in the third period gave the team a 1-0 victory.





Penfield was next. Coach Rose's men had a hard time warming up in the cold weather, as did Penfield. However, as the game progressed, Penfield's superior height wore the Cadets down, as the Chiefs went on to win the Class A crown, 3-0.

As some of the Cadets stated later, they climbed the ladder together for four years, and when they were about to reach the top, the top wrung was missing.

On behalf of the school and the community, we would like to extend our congratulations to the Hilton High Soccer Team.

Varsity Swim Team

The Varsity Swim Team, coached by Mr. Ory Mee, paddled to a 4-10 mark with one meet left in the season. High point leaders for the Finmen were Doug Haffen and Dave Klafehn, while John Anten led the divers. The climax of the season was an exciting 2 point loss to Brockport, that was decided in the final event. Coach Mee sees much success ahead in the fact that his team was led predominantly by underclassmen.

Girls Varsity

Sometimes a team record doesn't always show the true results of team performance, as in the case of the girls' Varsity Volleyball Team. At the end of the season their record was nine wins and five losses. However, four of these games were lost by one point. The girls did exceptionally well, making it into the quarterfinals of Sectionals by downing Roth, who had earlier beaten Hilton. Unfortunately, this was as far as the team went, after losing a close game to Mercy 15-12.

J.V. Volleyball

This year was the first year at Hilton High School for a girls Junior Varsity Volleyball team. The final record was 1-9, and the team was coached by Mrs. Kathy Brickell. The team was fairly young, consisting of many eighth graders who will be back next year on the team with more experience, making the volleyball program stronger.

Winter Track

The Indoor Track team, in its first year as a varsity sport, had an excellent season. The team competed weekly at the University of Rochester and at several invitationals. At the Cornell Invitational, the sprint medley relay consisting of Doug Sauer, Mike Nowack, Mike Turner, and Brian Faber placed a strong fourth. In the Western Divisional County, Hilton took a close second to Brockport. Champions for Hilton were: Junior Mike Nowack in the dash, Senior Brian Faber in the hurdles and 600 yd. run, Senior Steve Thorensen in the shot put, and the 880 yd. relay of Mike Turner, Doug Sauer, Steve Thorensen and Mike Nowack. The team placed fifth in the Monroe County Meet. Placing for Hilton were: Mike Nowack, 2nd in the 50, Steve Thoresen, 2nd in the shot, Brian Faber, 3rd in the hurdles, Sophomore Doug Sauer, 4th in the 300, and Junior Joe Choka, 4th in the pole vault. Mike Nowack, Brian Faber, and Steve Thorensen all look to be strong contenders in the Sectional and State meets. The team's experiences in the winter should add strength to the promising outdoor season.

The girls' team also had a successful season. Karen Soehner, outdoor Sectional champion in the 440, went undefeated. She held fieldhouse records at the U. of R. in several events, and was County champ once again. In age-group competition, Ann Marie Leydecker, Lynn Leydecker, Sue Baldwin, and Sheila Soehner had a season's best in the 6-lap relay. Kim Moore, Toni Marciano, Michelle Boutte, and Karen Soehner were also the season's best in their age-group in the 6-lap relay. These teams also did well in the Rochester Relays. Many school records were broken.

This year the Hilton Varsity Wrestling team hosted the Sectional Championships at Hilton High School, thus ending their '76-'77 season. Coach Krotz's team had three wrestlers achieving third places, Steve Burton, Chris Kellman, and Ken Juergens. Achieving fourth place was Joe Kellman.

Earlier in the season, the Monroe County Championships were held at Webster Thomas. One individual, Chris Kellman, displayed extreme skill, and was voted an All-County member. Chris and Tom Duchyns placed third and Steve Burton and Dan Kasper secured fourth places in the Counties. As a team, their final record was 6-4 in the Western Division. Overall, they ended up 9-4, good individual efforts combined.

For the past two years, the Hilton Junior Varsity Wrestling Team has shown its winning style by displayed records of 15 wins, 1 loss and 16 wins, 0 losses. This year was no different, producing a record of 15-1 for the season.

This year Hilton High School was the host of the Junior Varsity County Championships, at which a home team never looked better. Led by Coach Ron Hindmarch, Hilton received three first places and two second places to dominate the event. Receiving firsts were Al Rossner, Jim Gaden and Ray Brundt. Steve Marshall, Jon Bishop, Terry Brown, and Bill West all received second places in their consecutive weight classes for Hilton.

Freshman Wrestling

Combined with seventh, eighth, and ninth graders, the Hilton Freshman Wrestling Team did very well this year. Under the guidance and leadership of Coach Serafine, the boys wrestled their way in scrimmages to a record of five wins and two losses. Contributing to the team's success were four boys with undefeated records: Mike Frustochi was 4-0, Matt Kellman 1-0, Nolan Smith 3-0, and Bob Stephens, 2-0. Future years should prove to be strong because of the fine performance shown this year.

The Hilton Girls' Basketball season began with the team's first tournament at Hilton. In the first round, Hilton lost a tough game to Eastridge, only to bounce back and defeat Churchville 28 to 23. Led by Captains Cheryl Chiappone and Deb Peck, many girls first tasted a sweet victory over Brockport, 47 to 42. This year's team was a young team, and even though some girls prior to the season hadn't ever played basketball before, they did remarkably well throughout the season. Next year's team will be packed with experience and confidence, losing only one senior.

J.V. Girls Basketball

Again this year, roots have started growing for another girls' squad, the Junior Varsity Basketball Team. Coaching the girls was Mr. Maurice Dzwigal, whose goal was to teach his girls the basics and start a strong future team. Good luck throughout the upcoming years.

Varsity Boys' Basketball

A quick 6-3 start that included overtime victories against Spencerport and Athena helped Coach Carl Demo's team to a 9-9 finish. This small, exciting squad capped its season with a 68-65 come-back victory over Olympia. With a nineteen-point average, Matt DiBiase led all Cadet scorers, which placed him among the top five scorers in the County West. Losing four starters to graduation, Coach Demo will have to rely upon returning guards Pat Doran and Larry Berkel and forwards Dave Bonsignore, Chuck Allen, and Charlie Nesbitt.

For many years, certain teams or individuals were always put into the limelight, getting constant praise and glory. It's not that they didn't deserve it, but there is usually one person behind them that is the backbone of the team, knows all the rules, and trys to string his strategies together to form winning combinations. He or she is often the person filled with frustration or disappointment. There is no one he can turn to. Many cold dinners and sleepless nights are had. He is the person sacrificing much more than appears. His job is continuous, before and after the season.

We, the yearbook staff, feel that this job is a very demanding one, with small compensation. The 1977 Hiltorial announces great pleasure in saluting . . .

We regret that due to publication deadlines, we were not able to photograph these coaches. Our sincerest apologies:

"In a mood of turning back to fundamentals, the English department this year introduced an Essentials of Writing course for students who have never mastered them. Concentrating upon the word, the sentence, and the single paragraph, the course does not develop creative authors but provides for basic writing competency where it may not now exist.

As part of this same 're-trenching' mood, the department reintroduced a program that many alumni will remember as the old 11th grade Regents Program in American Literature. Students had begun to lose track of their cultural roots. This program takes students through the landing at Plymouth Colony, and follows the historical, literary, and philosophical unfolding of the American Experience - the American Dream.

This "new" course is difficult, but in the first semester it attracted enough students to create SEVEN sections. It appears that students want a challenge and some rigorous preparation for the Regents Examination in English - a welcome sign!

The department is planning the construction of more traditional classroom space as part of a total commitment to student competence in the native language, a traditional and timeless objective."

Mr. Dane Emens

Ms. Brenda Herkimer

The Social Studies Department went back to teaching basic skills such as reading and writing. The new partitions helped to achieve a more academic atmosphere in the classrooms. Teachers planned new and interesting activities for their classes.

Crime was a new course for Juniors. It had more interest than expected, as many students could not get into classes. This course traced the history of organized crime in the U.S. It began with the 18th Amendment (Prohibition) and showed how criminal forces gained wealth and power. At the same time it showed the development of local and national police.

The Politics '76 class sponsored the third Biennial Political Forum on October 25. The Forum was held in the auditorium. Interested classes and individual students were enlightened by several politicians and their opposing political candidates. Some of the participants in the Political Forum were: Hilton Mayor Thomas Younker, Mr. Larry Kerwin, State Senator Fred Eckert, Mr. Joseph Darweesh, Assemblyman Andrew Virgilio, Congressman Barber Conable, Sheriff William Lombard, and Mr. H. Richard Fairchild. There were also substitute speakers for Senator James Buckley and for Mr. Daniel Moynihan, challenger for Mr. Buckley's Senate seat. Representatives were present for President Gerald Ford and for Mr. Jimmy Carter.

Science and Business

"A knowledge of various business transactions and procedures is becoming increasingly important for everyone in our modern world. On a day-by-day basis, billions of activities take place which relate to some form of business. These activities might range from charging a purchase to a corporation declaring a dividend to its stockholders. We are happy to serve you by helping to prepare you for your future so that you may function in today's business world with a greater amount of ease.

We wish you success in all your endeavors and we hope that our programs and we, as individuals, will be contributing factors to this success. Best wishes and much happiness."

Computer Programming is a course designed to help students understand today's and tomorrow's world where information of all kinds in business, science, government, industry, and education is being processed rapidly, making computers a necessity.

Computer Programming I is taught by the use of BASIC Language. Basic is a compiler and programming language. It is, by design, easy to teach, learn, and use. It allows individuals with little or no programming experience to create, debug, and execute programs, via an on-line terminal.

"The Foreign Language Department wants to say best wishes to the Class of '77. Many of you have taken our courses. You have grown to see that language study gives you a firm grasp of ideas and allows you to express them with precision. When you studied a language other than your own, you experienced a new culture and grew as a person. If you were fortunate enough to participate in the exchange program with our Partner-school in Mayen, Germany, or travel with Mr. Younker to France, you shared an experience you'll not soon forget. The skills you studied in language will be priceless helps to the professions, trades, or life works you pursue. Those skills will be the extra push which will land you ahead of those without them.

Again, our best wishes to the Class of 1977."

"Shari"

August 3, 1958 — July 2, 1976

Lay off for a night
The moon almost touches the sea
off to starboard
Laughing tricks of light that never
deceive
Though she's just a child.

Sitting on the beach watching
for a sail
At last swimming out the silver
trail
Leaving her shoes behind on
the sand.

She's a fantasy child tonight
Skimming the mirror waves
Headed out for somewhere
Won't be back for awhile.

A beautiful girl, strong,
sensitive and warm
A girl you were so glad to be
best of friends with.

She's gone from our lives now
but that beautiful girl Shari
Will always live in our hearts
for ever and ever.

She had a good head on her shoulders
she knew what she wanted and
she was going to do it.

She wanted so to be free
free to wander, free to search
Now she's free to wander and search.

She helped us open ourselves and
let us really get all our thoughts
and feelings out
When we needed a friend we knew
she was there willing to listen.

Now she's a memory, a smile,
a wink, a tear, a laughter of lust.

It's so hard to forget such a friend
but the world hasn't ended.
As a matter of fact it's just
begun all over again for her.

We know that someday we'll meet
her and love her all over again
It'll be just as before
We still love and miss you so . . .

This is to you Shari Spector
We'll always love and remember you.

Love,
Terri and Pam

"Speaking Words of Wisdom . . ."

As Freshmen

. . .

Our freshman year we had just started out and we were bound to get off on the right foot. Mr. Mike Mayer was voted our advisor. Our President was Carrie Degus; Vice-President, Ellen Bonsignore; Secretary, Jeannette Flynn; and Treasurer, Barb Pockett.

As Sophomores . . .

We had started the wheels turning with Advisers Tom Quinn and Jim Buck. Our officers, President Barb Pockett, Vice-President Andy O'May, (absent) Secretary Ellen Bonsignore, and Treasurer Mary Bishop, helped our class get rolling for future events.

As Juniors . . .

Now came the time to get all the big events done. With the prom, play and candy sales upon us, we had to get our fellow classmates moving. Mr. Herb Trimmer and Mr. Mike Mayer were our advisers for that tough year. President Mary Bishop, Vice-President Ellen Bonsignore, Secretary Ann Blossom and Treasurer Cheryl Chiappone worked hard to give us a super year.

As Seniors

Our last year finally came. The four years seemed to go by so fast. Mr. Bruce Klingler, Mr. Herb Trimmer, and Mr. Mike Mayer served as our advisers this year. President Jeannette Flynn, Vice-President Debbie Miller, Secretary Ann Blossom, and Treasurer Cheryl Chiappone led the way to a successful year for the Class of '77.

The Yearbook Staff of 1977

The 1977 Hiltorial Staff was made up of 13 seniors. We were chosen by the previous staff because of our interests, ideas, plans, and reputations for being dependable and reliable.

We began working on the book in May of 1976. The purpose in starting then was mainly to get used to working with each other and to feel free to voice our opinions. When school started, we got down to business, working hard and combining our efforts.

We wanted this book to represent the whole school, from freshmen to seniors. We wanted to appeal to everyone who wished to own a yearbook. Hopefully our hard work, headaches, and last minute efforts, along with our friendships and good times as staff members, made this book a memorable experience for everyone.

"I REMEMBER MAMA"

"I Remember Mama" was the Junior Play, which centered on a struggling Norwegian family at the turn of the century. The play was a narrative told by the eldest child Katrin. Katrin was portrayed by Ann Lotosky, Mama by Karen Burgess, Papa by Ted Husted, Dagmar by Kim Stevens, and Neils by Mark Heywood. The play provided good family entertainment - a glimpse of what life was like in a growing America.

Katrin's classmates Doreen Dywer and Sharon Miller.

Kim Stevens as Dagmar is comforted by Mama and Papa, Karen Burgess and Ted Husted.

The Aunts, Sue Bellinger, Linda Clark, and Rosann Rayome, talk with Mama and Papa.

Uncle Chris (Steve Pasquerella) comforts Arnie (Mike Turner) while in the hospital.

Time in a Bottle

On Saturday, May 15, 1976, the Junior Class presented its Junior Prom, the theme of which was "Time in a Bottle." The chosen entertainment was the band "Freeway." This prom was held in the English Loft of the high school from 9:00 p.m.-1:00 p.m. Decorations were carefully planned by the Prom Committee and were set up that afternoon. The turnout that evening was excellent and the atmosphere was full of excitement.

About 400 people will pass
out of Hilton Central's doors this June,
Never to return as students again.
They will come to miss
the drab gold, green, and white halls,
the troublesome teachers, the regulated life.
They will look back on high school days,
from their freshman year to their senior year,
Going through the fun times and the hard times.
The days you discovered who you were, and
what you stood for.
Now look ahead. Do you see what you are
going to be or do you see nothing?
It's your decision to be someone or to be no one.

We, the sophomores of

to come.

For sale. The future of the American economic system.

Too many young people know too little about why business is in business. They're not only misinformed, they're critical and even hostile.

Whose fault is it?

It's time business itself accepted a major share of the blame. Instead of telling young people the economic facts of life, we've been letting them grow up believing in a free lunch.

So when an opportunity like Junior Achievement comes along, we'd better not miss it.

With this spoon-handle ring, a local JA company is learning about business by actually managing one.

The Achievers issue stock; elect officers; run assembly lines manufacturing the rings; chart pricing and marketing options; keep books; pay wages, taxes, and rent; monitor product quality and production safety; participate in trade fairs; hold board meetings and sales drives; write an annual report; and, they hope, earn profits to pay dividends.

Kodak advisors John Holt and Marian Beach meet weekly with their Junior Achievement company.

Most of the things any company does.

During the school year, more than 1300 Monroe County high school students in 53 JA companies will be doing roughly the same thing.

To encourage JA members, Kodak and many other local firms invest their money in Junior Achievement. Kodak men and women also volunteer their time, spending one evening a week to counsel eight JA companies.

Someday, we think the payoff will exceed the investment. Which is only good business.
